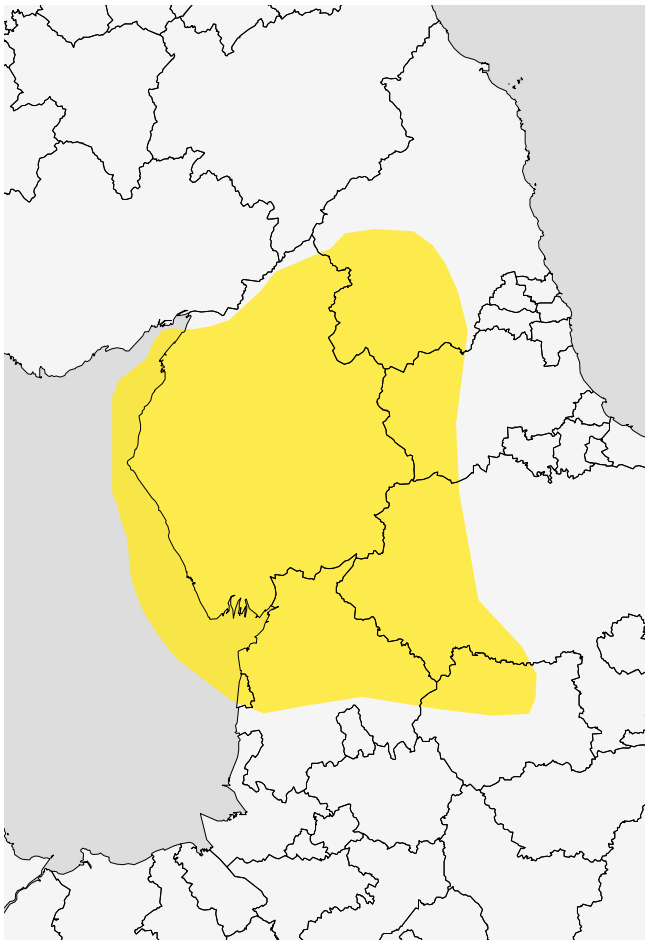
Yellow warning
Rain

Between
11:00 Mon 13 Nov 2023 and
18:00 Mon 13 Nov 2023



Heavy rain associated with the passage of Storm Debi will cause some local disruption.

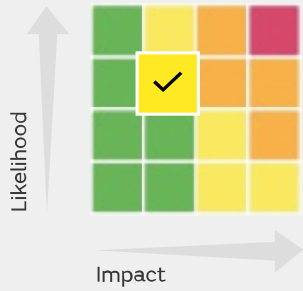
What to expect

- Flooding of a few homes and businesses is likely
- Bus and train services probably affected with journey times taking longer
- Spray and flooding on roads probably making journey times longer
- Some interruption to power supplies and other services likely

Further details

Storm Debi will bring periods of heavy rain, accentuated by strong to gale force winds, to much of north and northwest England today, before clearing this evening.

Many places in the warning area will see 20-30 mm, with some higher ground of the Pennines and Lake District seeing 40-55 mm.



✓ Medium likelihood of low impacts
